It is a component of Deerwood Park, the MSA's largest suburban office development containing over 3.4 million square feet of office space with supporting retail, hotel and entertainment venues. The 1000-acre park began in 1983 and is home to over 50 companies employing over 15,000 people. Deerwood Park has been recognized twice, once in 1992 for Merrill Lynch North Campus and, again in 1995 for Blue Cross Blue Shield of Florida – as one of the top 10 corporate relocation sites in the country. Within five miles of Tapestry Park there are approximately 72,000 employees. [www.tapestryparkllc.com](http://www.tapestryparkllc.com).
